# AEC FINANCIAL AGREEMENT

*Please read this  
document in full*

We understand that taking part in cheerleading is a big commitment both in terms of time and money. We appreciate that people may need to vary when in the month they make payments, due to their work pay schedule. If this applies to you please communicate this as soon as possible so a note can be made. Some pre-loved uniform parts may be available to help with costs if needed, please see Paula if you would like more information on this.

It is important that deadlines for payments are met and that anyone experiencing difficulties speaks to us so that we can discuss a way forward. Anyone behind on payments will not be able to order additional items through AEC, be given their competition uniform and may be removed from the competition team. Any money paid for uniforms or spectator's tickets will come off any outstanding balance first.

Failure to consistently to pay fees may result in the athlete losing their space on the team.

## Financial Obligations

All athletes and parents understand that:

- Tuition fees do not change based on the number or length of practices in any month.
- Tuition fees contribute towards training costs and does not automatically earn athletes the right to perform/compete.
- They assume full responsibility for all costs incurred as a member of AEC including but not limited to: registration fees, monthly tuition fees, practice clothes or any other item(s), competition and travel expenses or services rendered. Payment in full of those items or services is due regardless of any circumstances that may arise.
- All payment due dates must be met.
- An athlete's account must be current and in good standing to participate in practices, competitions or special events.
- AEC reserves the right to cancel any and all travel arrangements made that are not paid in full by the payment due dates.
- Any monies received from an athlete/parent will be applied first to any overdue fees/past unpaid bills.
- All fees must be up to date before an athlete may collect any clothing or other items.
- If an athlete chooses to leave or is asked to leave AEC for any reason before the season is over, all payments made are completely non-refundable.
- AEC reserves the right to turn over all delinquent accounts to a collections agency and the parent/athlete will be responsible for all additional costs incurred.

To set up a standing order, you will need to go to your bank and give them the following details:

**Name of account:** Ascension Eagles Cheerleaders

**Acct Number:** 13971204 Sort Code: 51 70 57

**Ref:** Your cheerleader's full name

*Please make sure that you put your athlete's first and last name as the reference for all payments. This will help us to ensure that all payments are allocated correctly.*
